DOMAINE GAILLARD

Davayé

SAINT-VÉRAN
«LA CÔTE»

VINE

Plot :

Parcel located in the southern part of the Saint-Véran appellation in the commune of Chasselas.
Slope 10 to 15%.

Soil :

Hard limestone at shallow depths. Southeast exposure

In the vineyard :

Mechanical weeding. Manual harvest.

Vineyard surface area : 1 ha
Average age of vines: 30 years

VINIFICATION & AGEING

Gentle pressing with a pneumatic press. Static settling for 12-48 hours.
Alcoholic fermentation at 18°C - indigenous yeast - followed by malolactic fermentation.
Aged 100% in vats.

Alcohol content : 12.7% vol.

TASTING & SERVING

Tasting notes :

Nose : Fine, discreet notes of pear, gingerbread and acacia honey, with a slight toasted character.

Palate : Lively, straightforward approach, with a tangy structure providing direction and length on the palate. The finish is mineral and salivating, with good balance.

Service :

Between 10 and 13 °c

Food and wine pairing :

Seafood, Fish, White meat, Goat's cheese

Cellaring potential : 5 years

GRANDS VINS DE BOURGOGNE

ABOUT US

Our work as winemakers involves a great deal of manual labor, especially on our plots where the slope
where the slope makes it impossible to use any mechanical equipment.

Almost all harvesting is done by hand, to take care of the grapes from one end of the process to the other.

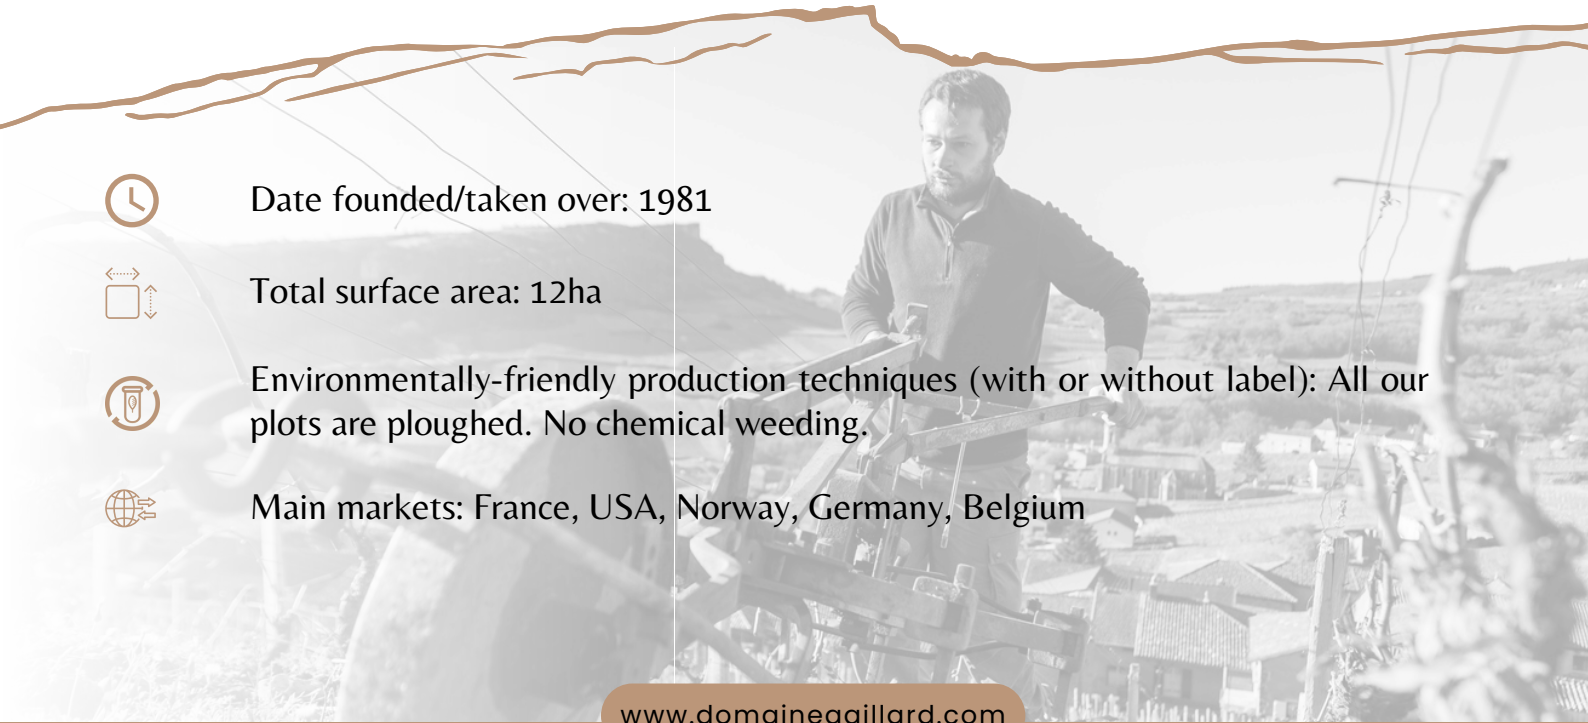
To respect both the environment and the wine, we practice sustainable viticulture.

We maintain grassed plots and are moving towards a moderate use of inputs. Ploughing, digging, harvesting, pruning... we work in our vines every day.

Looking after them remains our essential task.

SPECIFICATIONS

Contains sulfites - Does not contain eggs or egg products - Does not contain milk or milk products



Date founded/taken over: 1981

Total surface area: 12ha

Environmentally-friendly production techniques (with or without label): All our plots are ploughed. No chemical weeding.

Main markets: France, USA, Norway, Germany, Belgium
